

National Spot, CSC to assist farmers

(The Hindu Business Line, June 12, 2008)

The Community Service Centre (CSC) Project being rolled out under the national e-governance action plan could soon get an impetus, with the National Spot Exchange of India Ltd (NSEIL) agreeing to provide farmers access to spot prices of various farm produce at the CSCs

IL&FS is the national level service agency appointed by the Ministry of Information Technology for project development, facilitation and coordination of the CSC project
