

Indian Foundry Association

Foundry Cluster Development Association

Infrastructure Developers- Partner us for Growth!

Indian Foundry Association (IFA) has incorporated Foundry Cluster Development Association (FCDA) to undertake Development of a Modern Foundry Park at Howrah, with the support of Government of West Bengal, under IIUS Scheme of GOI. FCDA has mandated IL&FS Infrastructure Development Corporation Ltd (IIDC) to advise on Project implementation.

Background: Howrah is the largest cluster of Foundry industry in the Country. A modern foundry park is planned in Howrah on 924 acres of Land, with an envisaged investment of approximately Rs. 120 crores (excluding land cost). The Park will accommodate the expansion, modernization and relocation of the foundry industry of Howrah and due to the importance of the project, GOI has sanctioned a Grant exceeding Rs. 40 crores for the development of the said park.

EXPRESSION OF INTEREST (EOI)

[Click here to download Eoi format](#)

FCDA seeks EoIs from experienced Engineering & Construction Agencies to indicate their interest in the project for the following Engineering & Construction Packages:

1. **Road Network alongwith Storm Water Drainage System, Boundary wall and the Entrance Gates within the Park site.**
2. **Water distribution system, Sewerage/ Effluent Treatment Plant alongwith the discharge/ disposal system.**
3. **Power distribution system, street lighting and telecommunication.**
4. **Civil structures alongwith related site development works for the required common facilities.**

Scope of work of the Selected Agency

- Undertake engineering & construction of one or more of the above-mentioned packages, as per detailed designs provided, in consultation with FCDA/ IIDC.
- Where necessary, operate and maintain the constructed infrastructure as per pre-specified performance standards and post construction period.

Selection Process

- EoIs would be evaluated as per the pre-qualification criteria.
- Prequalified bidder(s) would then be issued a Request for Proposal (RFP) document, including draft Contract Agreement, inviting technical and financial bids.
- Agency/ies would be selected through a transparent and competitive bidding process.

Pre-qualification Criteria (For Packages 1 & 2 and Packages 3 & 4 respectively)

- Minimum annual average turnover of Rs. 10 crores and Rs. 5 crores respectively in the last 3 financial years.
- Working capital availability of Rs. 2 crores and Rs. 1 crore respectively, from any scheduled commercial bank or from a financial institution of repute.
- Successful completion of any of the following during last 3 years:
 - Two similar completed works each costing not less than Rs. 10 crores & Rs. 5 crores respectively.
 - One similar completed work costing not less than Rs. 15 crores & Rs. 8 crores respectively.

Any bidder wanting to be considered for more than 1 packages should exhibit working capital availability of the sum of the prequalification limits of the individual applied for packages, failing which the bidder would have the right to select packages from those applied for, that fulfil the criteria.

Submission of EOI

EOI should be submitted in the format available in the website and including the following information:

- Profile of bidder(s), including details of current activities, background of promoters and management structure.
- Evidence of Incorporation, if applicable, alongwith relevant constitutional document like Memorandum & Articles of Association/ Partnership Deed/ Trust Deed/ Registration certificate.
- Evidence of Financial and Technical Qualification and financial capability, including annual audited accounts for past three years.
- Details of key personnel, including their present responsibilities in running projects of the firm and the proposed organizational chart for implementation.
