

Hindustan Latex signs Agreement with IL&FS

(The Economic Times, Thursday, August 21, 2008)

Hindustan Latex (HLL), which operates under the health ministry, will manufacture medical devices. They have signed an agreement with Infrastructure Leasing and Financial Services (IL&FS) for the purpose

IL&FS, the project consultant for the project, is a leader in developing industrial clusters on public-private partnership. The company would identify the prospective investors, structure the project and provide engineering and financial services to the project.
