

## IL&FS Investment Managers Well Managed

(The Hindu Business Line, August 13, 2006)

IL&FS Investment Managers is a private equity firm that handles funds on behalf of both domestic and foreign investors.

IL&FS Investment Managers' total assets under management have more than trebled, from approximately Rs 1,300 crore to Rs. 4,000 crore in the last one year. The company has just concluded raising a \$525-million (approximately Rs 2,415 crore) realty fund that will invest in real estate

Investors with an appetite for risk can consider exposure to the IL&FS Investment Managers stock at current levels.....
