Notes:

1. We have reviewed and admitted the claims of group companies of IL&FS, as relevant, on the basis of available information and documents. These claims form part of our report basis the Resolution Framework as formulated by the New Board. The Initial Framework and the Addendum Resolution Framework were submitted to the MCA on 17 Dec 2018 and 15 Jan 2019, respectively, and were filed by the Ministry of Corporate Affairs with the Hon'ble National Company Law Appellate Tribunal ("Hon'ble NCLAT") on 25 Jan 2019. As per the framework, a key concept of an 'Asset Level Resolution' is to consider constitution of a Creditors' Committee consisting of "all financial creditors". IL&FS have confirmed to us that this reference to "all" means that, contrary to IBC, related party financial creditors are to be included in the Creditors' Committee.
2. Claims admitted may be amended basis additional documentation/information, if any, received by the Claims Management Advisor up to the date of the conclusion of the resolution of the concerned entity in accordance with the process being followed by the New Board appointed by Government of India or specific instructions received by the claims management advisor from the New Board for conclusion of the process. Please note that no changes will be made post conclusion of the resolution of the concerned entity or receipt of such instructions.
3. In case, in future if claims are determined to be contingent in nature the same shall be separately categorised as such in the next list of creditors. Contingent claims include, but not limited to, claims related to non-fund based borrowings (bank guarantees; letters of credit; corporate guarantees; derivative transactions etc) that may not have crystallised as on 31 Dec 2025.
4. The amounts pertaining to mutual debt is as per information provided in the claim form received from the creditor. Please note that these amounts have not been reviewed and verified by the claims management advisor. As per the operational instructions received for the claims management process, set-offs were not to be carried out.

Notes:

- IL&FS submitted an affidavit dated 15 Sep 2025 before the Hon'ble NCLAT, New Delhi, stating that the debt exposures of creditors to IL&FS Group entities have undergone material changes during the resolution proceedings due to various factors. Consequently, the composition of the Committee of Creditors ("CoC") requires to be realigned to reflect the actual financial stakes to avoid distortions caused by outdated figures. In line with the operational instructions received from IL&FS, the claim position as on 31 Dec 2025 has been updated to incorporate necessary adjustments and reflected under "Net claim amount admitted" and "voting share % basis net claim amount admitted".
- The amounts pertaining to auto-debits, interim distribution amount paid, post 15 Oct 2018 payments and post 15 Oct 2018 TDS deposited is as per information provided by the entity. As per the operational instructions received, please note that these amounts have not been reviewed and verified by the claims management advisor.
- The entity has filed an appeal with the relevant forum against the liabilities claimed by the authorities and the matter is awaiting outcome. Given that the said matter is sub-judice and pending determination by the relevant appellate authority, we would not be in a position to either admit or reject the said claim. Hence, the claim is subject to Adjudication and will be subject to further review and the outcome of the ongoing proceedings.
- In pursuance to the decision of the Hon'ble Supreme Court in the matter of *State Tax Officer v. Rainbow Paper Limited (2022 SCC Online SC 1162)*, the Supreme Court has held that for claims under statutes, which provide for a deemed charge to be created on the relevant default by a corporate debtor (similar to one present in Gujarat Value Added Tax Act, 2013), the relevant statutory claim should be considered as a secured creditor for the purposes of distribution under section 53 of the Insolvency and Bankruptcy Code, 2016. Accordingly, please note the following:
 - all statutes which have an absolute clause to create a charge in case of a default under the relevant statute - such statutory claims would be considered to be secured creditors;
 - all statutes which have a clause to create a charge, subject to provisions of IBC - such statutory claims would be considered to be unsecured creditors;
 - all statutes which don't have a clause to create charge in case of default - such statutory claims would be considered to be unsecured creditors.
- RIDCOR Infra Projects Limited had filed an application before the Hon'ble NCLAT seeking necessary directions to collapse/ unwind transactions whereby IFIN has provided loans to RIPL which was further lent to IAL and certain other IL&FS group entities. The Hon'ble NCLAT has passed an order dated 08 Aug 2024 and IFIN has been recognised as the direct lender in place of RIPL.
