Notes:

1 We have reviewed and admitted the claims of group companies of IL&FS, as relevant, on the basis of available information and documents. These claims form part of our report basis the Resolution Framework as formulated by the New Board. The Initial Framework and the Addendum Resolution Framework were submitted to the MCA on 17 Dec 2018 and 15 Jan 2019, respectively, and were filed by the Ministry of Corporate Affairs with the Hon'ble National Company Law Appellate Tribunal ("Hon'ble NCLAT") on 25 Jan 2019. As per the framework, a key concept of an 'Asset Level Resolution' is to consider constitution of a Creditors' Committee consisting of "all financial creditors". IL&FS have confirmed to us that this reference to "all" means that, contrary to IBC, related party financial creditors are to be included in the Creditors' Committee.

2 Claims admitted may be amended basis additional documentation/information, if any, received by the Claims Management Advisor up to the date of the conclusion of the resolution of the concerned entity in accordance with the process being followed by the New Board appointed by Government of India or specific instructions received by the claims management advisor from the New Board for conclusion of the process. Please note that no changes will be made post conclusion of the resolution of the concerned entity or receipt of such instructions.

3 In case, in future if claims are determined to be contingent in nature the same shall be separately categorised as such in the next list of creditors. Contingent claims include, but not limited to, claims related to non-fund based borrowings (bank guarantees; letters of credit; corporate guarantees; derivative transactions etc) that may not have crystallised as on 15 Oct 2018.

4 The amounts pertaining to mutual debt is as per information provided in the claim form received from the creditor. Please note that these amounts have not been reviewed and verified by the claims management advisor. As per the operational instructions received for the claims management process, set-offs were not to be carried out.

Notes:

1. IL&FS submitted an affidavit dated 15 Sep 2025 before the Hon'ble NCLAT, New Delhi, stating that the debt exposures of creditors to IL&FS Group entities have undergone material changes during the resolution proceedings due to various factors. Consequently, the composition of the Committee of Creditors ("CoC") requires to be realigned to reflect the actual financial stakes to avoid distortions caused by outdated figures. In line with the operational instructions received from IL&FS, the claim position as on 30 Sep 2026 has been updated to incorporate necessary adjustments and the updated claim is now reflected under "Net claim amount admitted" and "voting share % basis net claim amount admitted".
2. Pursuant to insertion of the explanation to Section 3(31) as per the Insolvency and Bankruptcy Code (Amendment) Act, 2026, security interest created solely by operation of law shall not be recognised as a security interest under the Code. Accordingly, the claims in respect of government dues shall be considered as unsecured claims, unless such security interest has been created pursuant to an agreement or arrangement with the Corporate Debtor.
3. The claim has been withdrawn by the creditor and hence the same has been shown as not admitted.
4. The amounts pertaining to auto-debits, interim distribution amount paid, post 15 Oct 2018 payments and post 15 Oct 2018 TDS deposited are as per information provided by the entity. As per the operational instructions received, please note that these amounts have not been reviewed and verified by the claims management advisor.
5. The "Net Claim Amount Admitted" has been updated as '0', even though the "Amount Adjusted" towards the creditor is higher than the "Claim Amount Admitted", as on 30 Sep 2026 to indicate that the claim values are exhausted.
